

# 'OHANA GROUP QUESTIONS

WEEK 3 : OCTOBER 2-8

1. Tell the group how your Pause time was this week. Share any of the following (don't feel like you have to answer every question)... What was difficult about it? What worked for you (time and place)? Was there a day that stood out to you? Did God speak anything to you? Did you notice any differences in your daily life/attitude?
2. What was something new that you learned or relearned about God or yourself this week during your Pause time?
3. Has God ever spoken to you before? If so, how?
4. How do you differentiate between your voice and His?
5. What was the single greatest thing you gained out of this Pause time?
6. What do you want to do differently going forward to stay connected to God?
7. Pray for one another.
